

REMARKS

Claims 1-26 are pending in the present application. The Examiner rejected the pending claims based upon the judicially created double patenting of claims 1-8 in U.S. Patent No. 6,703,998 and claims 1-28 in U.S. Patent No. 6,590,561. Enclosed is a timely filed Terminal Disclaimer in compliance with 37 CFR 1.321(c), which should be sufficient to overcome the rejection. The charge for said Terminal Disclaimer in the sum of \$130 may be applied to Deposit Account No 501-791.

Accordingly, it is believed that this application is in condition for allowance. However, the Commissioner is hereby authorized to charge any additional fees that are required, or credit any overpayment, to said Deposit Account No. 501-791.

Respectfully submitted,

Devon A. Rolf
